Ready for FSA?

Ready for FSA?

Assessment Room

- Safe and comfortable room to house cats
- Enough light to make observations
- Windows should be covered
- Limited noise and distractions

Cleaning Protocols

- Spot cleaning (unless cage is quite dirty)
- Cleaning should be AFTER morning assessments
- And BEFORE afternoon
 assessments
- Important that the cats have ONE HOUR to rest and recover before beginning assessments

Feeding Procedure

- Fed every EVENING while enrolled in the FSA
- Important for Scoring on DAY 2 AM
- Recommend using standardized size bowl
- Both Dry and Wet food
- Extremely/Unlikely to be Socialized are more likely to eat overnight on their first night (DAY 1)
